Alloy Performance with Italian Pedigree

Built by Sanlorenzo in Italy, completed in 2018 and delivered in 2019, this 40.8m alloy yacht combines pedigree construction with Francesco Paszkowski design inside and out. Her aluminium hull and superstructure support a refined, contemporary profile backed by substantial volume of 338 gross tons, creating an impressive platform for owners seeking style, comfort, and proven long-range capability at sea.

Powered by twin MTU 16V 2000 series M96L engines of 1,939 kW each, she delivers a 20-knot cruising speed, 23-knot maximum speed, and a 1,200 nm range at economical speed. Twin ZF gearboxes, Aqualoy shafts, VEEM propellers, Naiad fin stabilizers, and Naiad bow thruster underline the technical specification expected in this caliber of motor yacht for discerning ownership appeal worldwide.

Accommodation is arranged for 10 guests in 5 cabins, supported by systems and equipment specified for serious private yachting. Kohler generators, Idromar desalinators, Tecnicomar sewage treatment, Maxwell deck machinery, and a Williams 505 Jet Tender with SeaDoo GTX jet-ski complete a package that balances design credibility, mechanical substance, and practical onboard functionality for confident cruising and guest enjoyment in service.

Description

Accommodation Overview:

Accommodation for 10 guests in 5 staterooms. 10 crew.

Owner
The owner accommodation is listed as an Owner cabin with Denon DVD player, Sony hi-fi car system, Philips universal remote control, SEATEL/Tracvision SAT antennas, Sony Denon hi-fi, Outline/Klips loudspeakers, DTT Televes TV antennas, and LCD/LED TV. The document also identifies accommodation overall for 10 guests in 5 cabins aboard.
Guests
Guest accommodation is included within the yacht's stated capacity of 10 guests in 5 cabins. The Guest Cabins carry Denon DVD player, Sony hi-fi car system, Philips universal remote control, SEATEL/Tracvision SAT antennas, Sony Denon hi-fi, Outline/Klips loudspeakers, DTT Televes TV antennas, and LCD/LED TV for onboard use aboard.
Crew
Crew spaces include the Captain's Cabin with TV, radio, wind instruments, and watchkeeping equipment. Crew Cabins are listed with music and radio, while the Crew Mess includes TV. Medical inventory is specified for up to 10 crew and 12 guests, and safety equipment includes SOLAS pack liferafts aboard ship.

Machinery Details

Main Engines:

2x MTU 16V 2000 series M96L, 1939 kW / 2600Hp - 1,400 hp
Consumption: 250 L/h @ 12 kn - 1,005 L/h @ 23 kn
Gearboxes: 2x ZF 5050V
Propulsion: Twin screw diesel yacht
Shafts: 2x Aqualoy 22 HS, 139.7 mm dia
Propellers: 2x 56" VEEM

Other Machinery:

Stabilizers: NAIAD fin stabilizers for zero speed and underway navigation
Bow thruster: NAIAD; Steering: V-Drive, World Yacht
Rudders: World Yacht
Fuel filters: Racor; Fuel oil separator: Mahle - kfwa 2 by filter coalescer standard
Bilge pump: 1x primary 13.7m3/hr, 4.8, + 1x engine driven bilge pump 14.7m3/hr @ 2,000rpm
Fire pump: 1x primary 3 phase approved fire pump, 13.7m3/hour 4.8 bar, plus 1 secondary
Boilers: 6x 150 litre units
Sewage treatment: Tecnicomar (ECOMAR 45 S); WC's: Jets
Desalinator: 2x Idromar MC5S reverse osmosis
Air conditioning: 3x compressors Tima Marina AC
Each cabin has fancoil unit
Ventilation: 1x compressor TWS1441S
Water heaters: Gianneschi pumps and blowers

Communication & Navigation

Communication Equipment

Immarsat standard broadband FB150
UMTS system
COBHAM - SAILOR 6222
Sailor 6301

Navigation Equipment

Furuno watchkeeping
Sperry marine magnetic compass
Sperry marine Navigator 100 gyro compass
NAVIS AP 3000
SKIPPER GDS 101
Furuno echo sounder
Furuno FCU-014
TIMEZERO
Furuno Navigator
Furuno GP 33
Furuno NX 700
Furuno RD-33
Furuno FA-170

Security, Fire Fighting & Safety

1x EPIRB Sailor
1x SART
