Description

Accommodation Overview:

Accommodation for 10 guests in 5 staterooms. 10 crew.

Launched in 2001, *XOXO* provides luxurious accommodation for up to 10 guests across five well-appointed suites, including a spacious master suite, two elegant double cabins, and two stylish twin cabins. The layout features a total of five beds: one king, two queen, and two singles, ensuring comfort and versatility for all guests. Additionally, *XOXO* can accommodate a dedicated crew of up to six, delivering a seamless and indulgent yacht charter experience.

Machinery Details

Crafted with a GRP hull and superstructure, *XOXO* boasts a semi-displacement design that enhances stability and ensures exceptional seakeeping. Powered by twin Caterpillar engines, she cruises effortlessly at 11 knots, reaching a top speed of 15 knots. At an economical speed of 10 knots, she offers an impressive range of up to 2,400 nautical miles, supported by her 28,387-litre fuel capacity. For added comfort, an onboard stabilization system minimizes motion, ensuring a smooth and enjoyable journey.

Tender

XOXO is designed for adventure, offering an exciting selection of water toys and accessories to elevate your charter experience. Feel the thrill of the open water with two Yamaha WaveRunners, perfect for skimming across the waves. Whether you're a beginner or an expert, the waterskis provide endless fun, while wakeboards allow guests to showcase their skills at high speed.

For those who enjoy a more leisurely pace, *XOXO* also comes equipped with fishing gear, beach games, paddleboards, and snorkeling equipment, ensuring there's something for everyone to enjoy. When it's time to explore or head ashore, *XOXO* offers two tenders, including a standout 9.75m (32') NauticStar Tender, providing stylish and seamless transportation.

Communication & Navigation

Aboard *XOXO* – **118' Intermarine**, seamless navigation and communication enhance every journey, ensuring a smooth and luxurious experience for guests and crew alike. The yacht is equipped with **state-of-the-art navigation systems**, allowing for precise course plotting and effortless travel between destinations. Advanced onboard communication tools, including **VHF radios, satellite connectivity, and an integrated AV system**, ensure that guests remain connected whether at sea or in port. The **flybridge and helm stations** provide clear vantage points for easy maneuverability, while the **crew quarters with separate access** ensure discreet and professional service. Whether cruising the Bahamas, docking in New England, or anchoring in a secluded bay, *XOXO* offers a flawless combination of navigation technology and luxury hospitality, making every voyage both efficient and enjoyable.
