Elegance and Comfort at Sea:

Maraya

The 54-meter luxury yacht Maraya, crafted by CRN, is a masterpiece of Italian naval engineering. Accommodating 12 guests in 6 lavishly decorated cabins, it offers an unparalleled experience on the water. The interior design by Claude Missir blends modernity and elegance, creating a warm and sophisticated atmosphere.

Maraya features expansive outdoor areas spread across five decks, perfect for relaxation or entertainment. Highlights include a fully equipped gym, a beach club, and a jacuzzi on the deck. Additionally, it is wheelchair accessible with an elevator, ensuring comfort for all guests.

Equipped with at-anchor stabilizers and a wide array of water toys, Maraya promises adventure and comfort on every voyage.

YACHTING

A large, multi-deck yacht is silhouetted against a vibrant sunset sky. The sun is a bright, glowing orb on the horizon, casting a shimmering reflection on the calm water. The sky transitions from a deep orange near the horizon to a pale blue at the top. In the foreground, dark, jagged rocks are visible, partially submerged in the water.
