Redefining Luxury in Maritime Elegance

The SL96 Asymmetric redefines luxury yachting by transforming traditional onboard spaces into innovative living areas.

Designed with a unique asymmetric layout, it maximizes interior volumes, creating new vantage points that enhance the visual and emotional connection with the sea.

This 96-foot masterpiece boasts five elegant cabins, six bathrooms, and state-of-the-art amenities including a tropicalized air conditioning system, advanced navigation electronics, and a lavish audio-visual package.

Every detail, from the marble accents in the bathrooms to the custom interior finishes, is meticulously crafted to offer unparalleled comfort and sophistication.

The SL96A represents a harmonious blend of cutting-edge design and timeless elegance, setting a new standard in maritime luxury.

Description

Accommodation Overview:

Accommodation for 10 guests in 5 staterooms.

Owner:

The owner's suite is a luxurious space designed for ultimate comfort and privacy. It features a spacious bedroom with a king-sized bed, elegant furnishings, and ample storage. The ensuite bathroom is adorned with high-quality materials, including integrated marble sinks and custom cabinetry, ensuring a lavish experience.

Guests:

Each guest cabin offers refined decor and high-end finishes, ensuring a comfortable stay. The cabins include:

- VIP cabin with a queen-sized bed and an ensuite bathroom.
- Two twin cabins, both with ensuite bathrooms, featuring flexible bed configurations to suit different needs.
- An additional guest cabin with a double bed and ensuite facilities.

Crew:

The crew quarters are designed to provide comfort and functionality for up to 4 crew members. The area includes two twin cabins, each with its own bathroom, ensuring privacy and convenience. The crew also has a dedicated mess area equipped with necessary amenities for their daily needs, ensuring they can efficiently manage the yacht while having a comfortable living space.
