## **Elegant Majesty: The Ultimate Ocean Explorer**

Meticulously crafted in 1975 by the renowned CRN shipyard in Ancona, this exceptional 39.8-meter motor yacht exemplifies enduring quality and timeless design. Featuring welded steel construction, a teak sheathed deck, and an alloy superstructure, it offers both resilience and refined aesthetics. Fully maintained under Bureau Veritas classification, this vessel combines robust engineering with sophisticated craftsmanship, ensuring a safe and comfortable voyage across vast oceans.

Equipped with twin Detroit Diesel GM 149 TIB 12V engines, the yacht reaches speeds up to 14 knots with an impressive range of 3,500 nautical miles. Its thoughtfully designed interiors and extensive onboard amenities cater to ultimate comfort and convenience. State-of-the-art navigation, communication, and safety systems—including radar, GPS, auto pilot, stabilizers, and fire detection—support seamless operation and peace of mind at sea.

Complemented by a comprehensive suite of modern equipment, from air conditioning and water makers to tender boats and entertainment systems, this yacht embodies luxury and practicality. Whether for exploration or leisure, it offers a unique combination of durability, high performance, and sophisticated technology, ready to elevate every maritime journey to extraordinary heights.
