The Golden Ex Yacht Experience

The Ferretti 68 Golden Ex is a yacht that embodies the perfect balance between performance and elegance. Its sleek lines and deep-V planning hull reflect Italian design mastery, while generous outdoor spaces invite effortless enjoyment of the sea. Built with precision and attention to detail, this vessel offers both speed and stability, ensuring every journey is defined by confidence and style.

Inside, the atmosphere is one of refined comfort. Expansive windows flood the salon with natural light, highlighting fine materials and meticulous craftsmanship. Four spacious cabins provide privacy and relaxation, complemented by a well-equipped galley and inviting dining areas. The flybridge extends the living experience outdoors, offering panoramic views and versatile lounging options for family gatherings or entertaining guests. Every space has been thoughtfully designed to enhance life on board.

Performance remains at the heart of the Golden Ex. Twin diesel engines deliver powerful yet efficient propulsion, achieving cruising speeds around 22 knots with impressive range. Advanced navigation systems and robust construction ensure reliability, while responsive handling makes maneuvering effortless. The Ferretti 68 Golden Ex stands as a testament to enduring style, technical excellence, and the joy of yachting.
