ICE 80 Ice Yacht

Purebred Bluewater Performance

ICE 80 by Felci Yacht Design expands the ICE range by combining the yard's elegant performance style with the versatility and elegance of its blue water cruiser models. This new yacht stands out for refined, dynamic lines and an exclusive design described as bold and majestic at once, with distinctive character and unmistakable visual presence underway for demanding owners alike.

Few masterfully drawn lines reveal a purebred character, docile and reliable. The sheerline curve, the reflections of the hull shaped like a work of art, the glazing line of the deckhouse, and the balanced proportions underline remarkable power and control. Race trim and ease of handling define the helming experience, supporting confident sailing in varied conditions.

Retractable keel numerical control, carbon construction concepts, and innovative steering technologies support total control and maximum pleasure at the helm. Interior spaces emphasize elegance, symmetry, and luminosity, while the deck plan, safety systems, and high-tech installations are designed for efficiency. LOA is 24.00 m, beam 6.20 m, displacement 35 t, sail area 330 m², built by ICE Yachts, with project by Felci Yacht Design.

ICE 80 Ice Yacht

Specifications

Length: 24m (78.7')

Beam: 6.2m (20.3')

Draft: -

Flag: TBD

Location: Salvirola, Italy

Year Built/Refit: 2027 /

Builder: Ice Yacht

Max Speed: -

Range: -

Classification: CE

Description

Accommodation Overview:

Accommodation for guests in staterooms. crew.

Owner

The owner configuration is described as a master cabin layout with king-size island bed. The document highlights a suite-like experience with sea views and total comfort. Interior elegance, symmetry, and strong luminosity support a modern atmosphere throughout this new ICE 80, with refined and functional spaces by Felci Yacht Design.

Guests

Guest cabins are described as comfortable. Each is stated with customizable air conditioning, bathroom and separate shower, wi-fi system, and folding TV screens. The brochure also emphasizes clear, natural materials and brightness, extending the modern, elegant interior look to hidden details as well throughout the stated interior concept.

Crew

Crew accommodations, crew cabin count, and crew spaces are not specified in the provided brochure pages or supplied price list. The material focuses on owner and guest areas, onboard systems, deck handling, safety, and technical data for the ICE 80 project and concept as described in the files only.

Other Machinery:

Bowthruster

Sidethruster

Carbon rudder stock and rudder Blade

Watermaker

Electric WC

Structural fresh, grey & black water tank

Galvanic isolator

Airconditioner System in all Cabin

Generators

Generator 12 kW

8 kW inverter

Lithium system pack 1000Ah

Communication & Navigation

Communication Equipment

Raymarine, Garmin or B&G Instruments

Internet Wi-Fi connection with 4G/3G aerial (optional, not selected)

Navigation Equipment

Raymarine, Garmin or B&G Instruments

Instrument Upgrade: Radar Raymarine Quantum; AIS Transceiver w/Splitter

Mast Displays X4

LED navigation lights

NÂ° 2 consolle for instruments in composite

Security, Fire Fighting & Safety

Automatic Fire System in engine room

No.1 fire extinguisher in each cabin

Safety Equipment

Deck Equipment

Windlass Control in Cockpit

Alloy Gangway 2.4 m

Hydraulic Gang Way

Electric Gang Way in Carbon

Carbon Gangway 2.4 m

Mooring Kit

Cockpit in teak

Flush hatches in carbon

Cockpit, Platform in Flexiteek-teak

Deck in Flexiteek

Composite wheels Jefa

Delta anchor 40 Kg w/70 m of 10 mm chain

Diving ladder

Dodger

Garage door manual opening

Entertainment Equipment

Radio with Speakers (2 External + 2 Internal)

TV in Dinette Area

Domestic Equipment

Frigo 220L

3 burners oven

Coffee Machine Nespresso with Extractable Support

Microwave Oven

Extra Vertical Openinf Fridge / Freezer

Wine Cellar

Dish washer

Washing Machine

Sails & Rigs

Carbon mast and boom

Hydraulic vang and backstay

Roller furling jib - electric

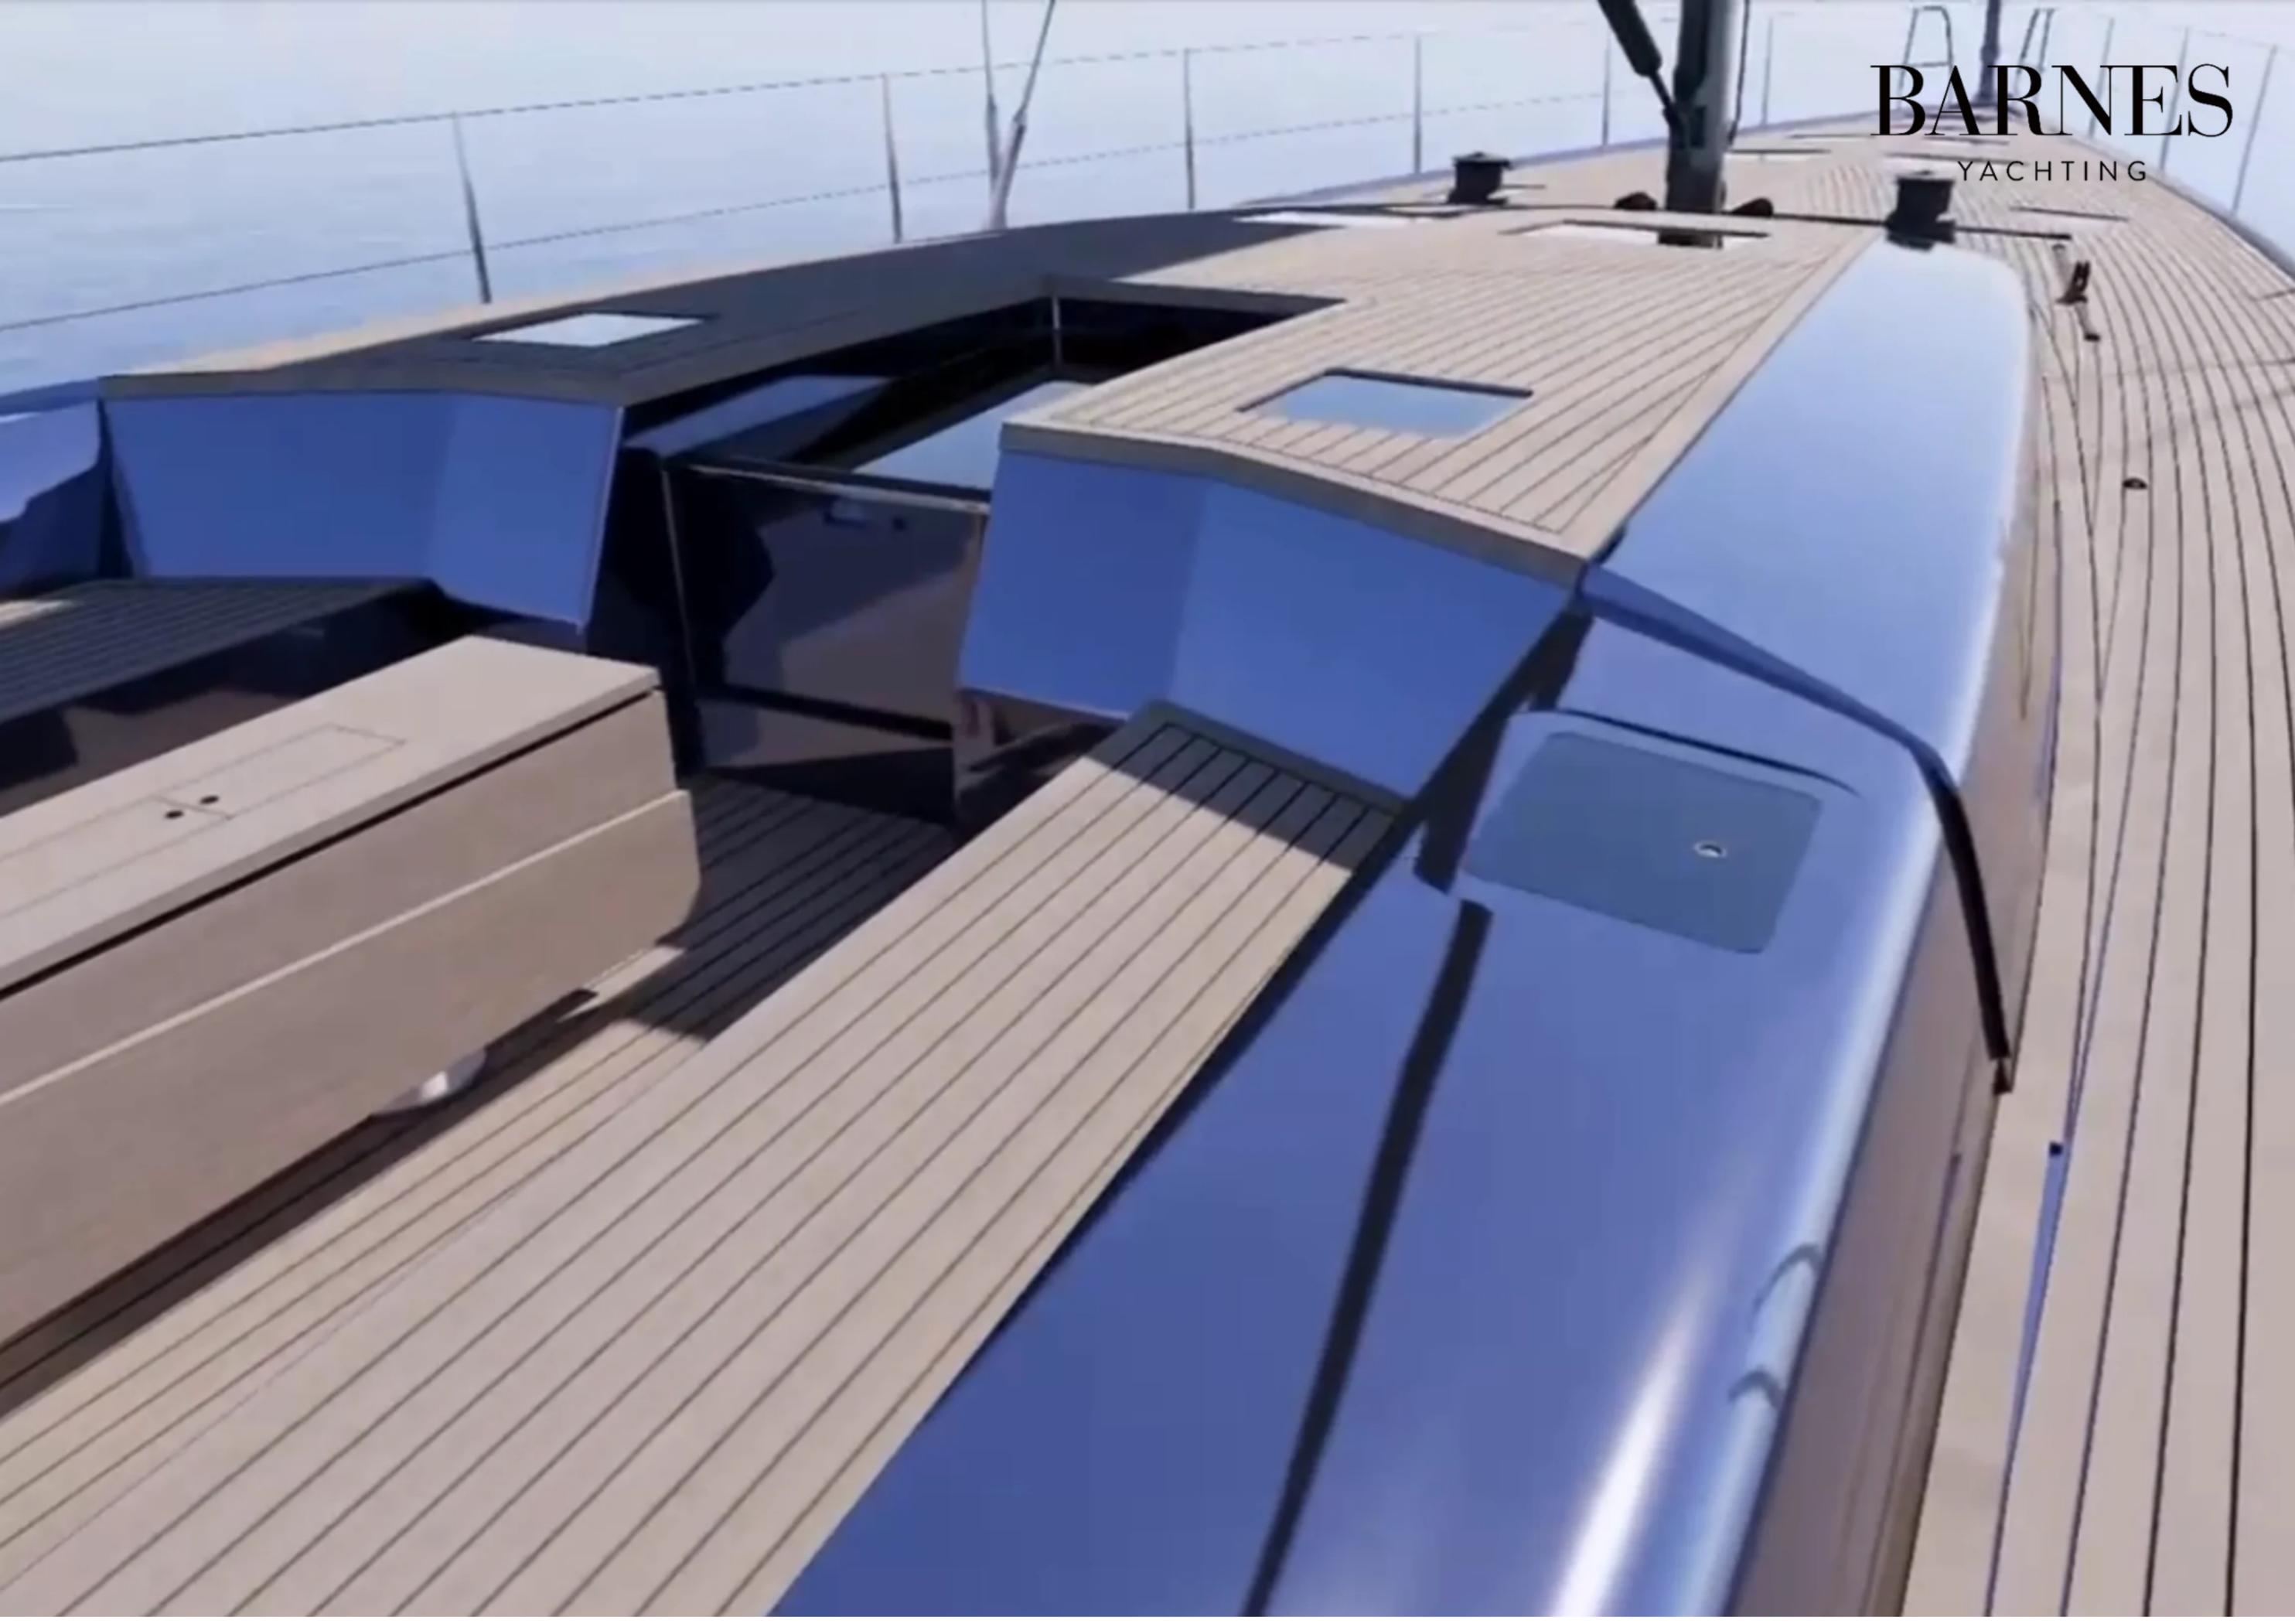

Sails Standard Main + Jib

FELCIYACHTDESIGN

A close-up, low-angle shot of a yacht's hull and deck against a clear blue sky and calm sea. The yacht's hull is dark, and the deck is a lighter shade of blue. The sea is a deep blue with gentle ripples. The sky is a pale, clear blue. The overall mood is serene and elegant.
