Steel-Born Freedom for Ocean Voyagers

PAPILLON embodies the spirit of purposeful exploration, delivering the capability, comfort, and stability expected from a true long-range yacht. Built with a robust steel hull and engineered for extended passages, she offers a reassuringly smooth experience supported by dual stabilization systems that perform in varied sea states.

Her interior blends classic warmth with practical elegance, featuring dark woods, blue-white accents, and generous volumes throughout. Accommodations for ten guests include a spacious owner's suite and well-appointed cabins, creating a welcoming environment for long stays aboard.

Designed for autonomy, efficiency, and low-vibration cruising, PAPILLON reaches 3,500 nautical miles at 9 knots, enabling multi-week expeditions with ease. Expansive outdoor areas, a large sundeck, and a full suite of water toys complete her profile as a capable and inviting explorer yacht.

Description

Accommodation Overview:

Accommodation for 10 guests in 5 staterooms. 4 crew.

Owner

The owner's suite spans the full beam, offering a classic atmosphere with dark wood finishes and blue-white accents. Large windows enhance natural light, while generous storage and a private ensuite ensure comfort during extended voyages.

Guests

Four additional guest cabins accommodate up to eight guests, bringing total capacity to ten. Each cabin is designed with the same timeless aesthetic, providing a warm and welcoming environment. The layout supports both family cruising and charter versatility.

Crew

Crew accommodations for four ensure efficient service and smooth operations on long passages. Functional crew spaces support extended cruising, with direct access routes that maintain guest privacy while enabling seamless workflow.
