Worldwide Cruising Elegance

PLAYMOBIL combines ocean capability, volume, and comfort within a distinctive custom-built motorsailer designed for extended cruising. Her bright interior, expansive salon arrangement, and practical exterior spaces create an inviting atmosphere for private family adventures and entertaining. Carefully maintained ownership and consistent upgrades enhance her appeal as a ready-to-enjoy yacht with impressive worldwide cruising potential.

Natural light flows throughout PLAYMOBIL through oversized windows surrounding the salon and galley areas, creating an open environment suited to living at sea. Spacious exterior decks provide comfortable areas for alfresco dining and cruising enjoyment, while upgraded navigation systems and renewed rigging support confident passagemaking. Her balanced combination of sailing performance and dependable propulsion encourages operation with minimal crew requirements onboard.

Accommodating eight guests in four ensuite staterooms, PLAYMOBIL offers privacy for owners and guests during extended cruising itineraries. Twin Mercedes engines, Fischer Panda generators, upgraded Raymarine electronics, and hydraulic systems support dependable operation across cruising conditions. Recent surveys confirmed cosmetic and operational condition throughout the yacht, while her Williams tender, Yamaha jet skis, and hydraulic swim platform complete an appealing package focused on family cruising.
