FONTAINE PAJOT

SEMPER FIDELIS
Fontaine Pajot

Semper Fidelis · Catamaran of Distinction

The Fontaine Pajot Alegria 67, delivered in 2022, embodies a refined balance between performance and comfort. With her expansive beam and carefully engineered hulls, she offers remarkable stability at sea while maintaining sleek, modern lines that capture attention in every harbor. Her fiberglass construction ensures durability and efficiency, while her sail plan and twin Volvo engines provide versatility for both cruising and performance sailing.

On deck, the Alegria 67 is designed for social living and effortless navigation. Expansive lounging areas, a flybridge with commanding views, and a hydraulic platform for tender handling create a seamless connection between relaxation and practicality. Every detail has been considered to enhance life on board, from synthetic teak finishes to integrated entertainment systems.

Inside, the yacht offers a sophisticated layout with generous accommodations for guests and crew. Natural light floods the saloon and cabins, while premium materials and thoughtful design elevate the onboard experience. With advanced systems, ample storage, and luxurious amenities, this catamaran.

Description

Accommodation Overview:

Accommodation for 8 guests in 4 staterooms. 2 crew.

Owner

The master suite is designed as a private retreat, offering a spacious cabin with abundant natural light, refined finishes, and direct access to onboard amenities. It combines comfort and privacy, ensuring a serene environment for extended stays at sea.

Guests

Five guest cabins provide generous accommodations, each with en-suite facilities and thoughtful storage solutions. The layout emphasizes both comfort and functionality, with natural ventilation, courtesy lighting, and elegant furnishings that create a welcoming atmosphere for family and friends.

Crew

Two dedicated crew cabins ensure professional service and operational efficiency. Each cabin is equipped with essential amenities, allowing crew members to maintain comfort and readiness. Their placement ensures privacy for guests while supporting seamless yacht operations.
