Experience Unmatched Luxury Aboard Bold

BOLD is an 85-metre aluminium explorer yacht delivered by Silver Yachts in 2019, combining commercial-grade capability with exceptional luxury. Designed for unrestricted global cruising, she offers the engineering, range and versatility required to explore remote destinations without compromising comfort, style or entertainment.

Her vast expedition deck can carry helicopters, tenders, watercraft, specialist equipment and custom vehicles, supported by certified helicopter operations and an integrated hangar. Inside, the dramatic Loft Saloon features floor-to-ceiling glazing and connects to a climate-controlled Wintergarden. Accommodation includes a full-beam owner's suite with private lounge, three VIP suites and four additional guest cabins.

Multiple entertaining decks, an eight-person Jacuzzi, outdoor cinema, gym, Teppanyaki barbecue and exceptional beach club support relaxation, diving, watersports and fishing. Twin MTU engines and advanced stabilisation provide comfort underway and at anchor. With world-class engineering, expedition facilities and an extensive toy inventory, BOLD is one of the most distinctive and capable explorer yachts available.

BOLD Silver Yachts
