ICE EXPLORER 40M CN Di Termoli

Global Adventure Without Compromise

ICE EXPLORER 40 is conceived for true global adventure without compromise, combining ice-class confidence with refined comfort for extended passages. Built by Cantieri Navali Termoli, she brings steel construction, RINA Ice Class 1D capability and a powerful explorer profile designed for safe, capable operation in high-latitude regions.

Her five stateroom arrangement welcomes 10 guests with an Owner's cabin with bathroom, two double guest cabins with bathrooms and two twin guest cabins with bathrooms. A saloon with dining area, an upper lounge, guest day toilet and galley create an onboard environment focused on privacy, sociability and relaxed luxury.

Her operational appeal is strengthened by professional navigation, communications and safety equipment, twin electric windlasses, stern capstans, hydraulic gangway, bathing ladder, Zero Speed electric fin stabilizers, bowthruster and generous technical systems. Two generators plus one auxiliary generator, watermakers, air conditioning, monitoring touch screens and onboard entertainment support demanding cruising, while accommodation for 7 crew ensures service capability. Her published speed profile reaches 12 knots cruising and 14 knots maximum, supported by Ice Class engineering for confident long-range exploration across demanding worldwide cruising programs.

ICE EXPLORER 40M CN Di Termoli

Specifications

Length: 40m (131.2')

Beam: 8.2m (26.9')

Draft: 2.5m (8.2')

Flag: TBD

Location: Shipyard

Year Built: 2028

Builder: CN Di Termoli

Accommodations: 10 guests in 5 cabins

Crew: Up to 7

Price: €21.500.000

Description

Accommodation Overview:

Accommodation for 10 guests in 5 staterooms. 7 crew.

Owner

The Owner's cabin with bathroom creates a private cabin retreat, positioned within a 5 stateroom explorer conceived for comfort during extended passages. Entertainment is supported by a dedicated 46" television in the Owner's cabin, with Wi-Fi available in each cabin and saloon for seamless life aboard with refined private comfort.

Guests

Guest accommodation welcomes 10 guests across two double guest cabins with bathrooms and two twin guest cabins with bathrooms. The saloon with dining area, upper lounge, guest day toilet and galley deliver elegant shared spaces, complemented by cabin televisions, Wi-Fi and a stereo system inside and outside for every guest.

Crew

The crew arrangement is designed for 7 crew, with 3 x 2 sailor crew cabins with bath, 1 Captain's cabin with bath and a crew mess. This practical service layout supports professional operation, guest care and confident expedition cruising across extended passages and reliable service continuity aboard each long passage.
