SUNSEEKER 28M Sunseeker

Sunseeker Performance & Comfort

The Sunseeker 28 Metre Yacht combines British craftsmanship, refined styling and confident performance within one of the builder's most successful flybridge platforms. Sweeping exterior lines, expansive glazing and balanced proportions create a sporty profile while delivering generous interior and exterior living spaces.

Guest accommodation is centred around a spacious full-beam owner's suite, with premium finishes, contemporary furnishings and abundant natural light creating an inviting atmosphere. A generous flybridge, alfresco dining areas, comfortable lounges and a large swim platform provide versatile settings for entertaining, family cruising and long days at anchor.

Dependable propulsion and proven engineering deliver responsive handling and comfortable cruising across a wide range of conditions. Supported by Sunseeker's established pedigree, this 28 Metre Yacht offers the practical ownership experience of a proven platform without surrendering the presence and amenities expected from a premium motor yacht.

Classification: -

Description

Accommodation Overview:

Accommodation for 8 guests in 4 staterooms. 4 crew.

Owner

Within the four-cabin layout, the accommodation arrangement supports an elegant private stay aboard. Eight beds are specified in total, and televisions are fitted in the salon and every cabin, extending onboard comfort throughout the interior. The overall setup reflects a practical, well-equipped environment for extended cruising and relaxed time aboard.

Guests

Guest accommodation follows the clearly stated configuration of four cabins and eight beds, offering a balanced arrangement for family cruising or entertaining. Televisions in every cabin add convenience, while the salon entertainment setup supports social time onboard. The result is a guest experience shaped by the explicitly listed amenities aboard.

Crew

Crew operations are supported by twin engines, Kohler generators, bow and stern thrusters, reverse hot/cold air conditioning, hydraulic platform, passarelle, anchor windlass, and the main control and monitoring panel. Together with stern capstan winches and fairleads, these listed features support practical service, handling, and day-to-day management aboard for crew.
