REBEL 50 Sacs Tecnorib

Rebel 50 All-Black Statement

The Sacs Rebel 50 combines the speed and handling of a high-performance RIB with the comfort and finish of a premium motor yacht. Bold Italian styling, walkaround decks and the distinctive Rebel profile create a practical yet unmistakably sporting platform for modern coastal use.

Premium materials and intelligent planning provide comfortable interior accommodation beyond the expectations of a conventional day boat. Expansive sun pads, adaptable seating, dining areas and direct water access support entertaining, water sports and relaxed Mediterranean cruising, while the walkaround configuration improves movement and safety onboard.

Advanced hull design and powerful propulsion deliver rapid acceleration, confident handling and strong performance across varied conditions. Its real advantage is flexibility: the Rebel 50 can operate as a stylish weekender, an energetic family cruiser or a highly capable chase boat without feeling compromised in any of those roles.

REBEL 50

Sacs Tecnorib

Description

Accommodation Overview:

Accommodation for 4 guests in 2 staterooms. crew.

Owner

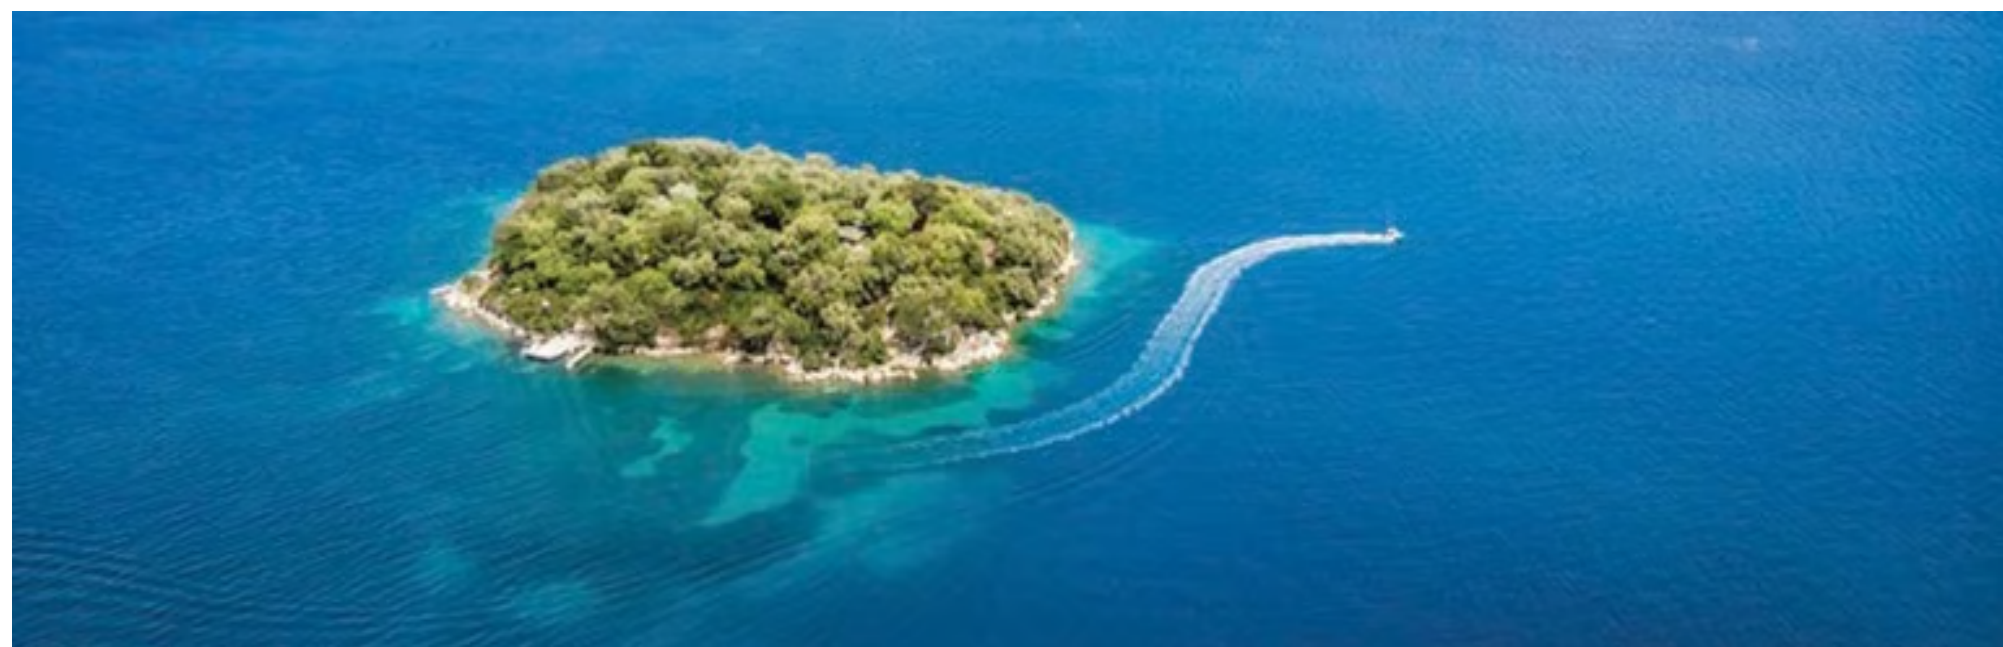

The forward cabin is arranged with a super queen-size bed fitted with a 15 cm memory foam mattress and quilted cover. Tray-style bedside tables incorporate adjustable leather LED reading lights and integrated USB sockets. A small sofa complements the layout, together with a tall wardrobe including drawers, vanity cabinets with flip-up doors, and an additional drawer unit positioned under the bed. Full-length windows are fitted with fabric curtains.

Guests

The aft cabin is configured with two single beds equipped with 15 cm memory foam mattresses and quilted covers, convertible into a double bed as an optional arrangement. A central tray-style bedside table integrates adjustable leather LED reading lights and USB sockets. Storage includes a double wardrobe together with wardrobe compartments featuring flip-up doors. Side windows are fitted with fabric curtains.
