Exceptional Elegance and Unmatched Performance

Delivered in 2020 by Azimut Yachts, *Solstice* is a 22.64-metre flybridge motor yacht that embodies the essence of Italian styling and advanced engineering. Her sleek exterior, enhanced by a distinctive grey-blue hull and expansive glass surfaces, creates a commanding presence on the water. Constructed in GRP, she combines durability with refined sportiness, while twin MAN V12 engines deliver exhilarating performance with a cruising speed of 26 knots and a maximum of 32 knots.

The yacht's design prioritises both elegance and practicality. Expansive decks and a teak-finished flybridge with BBQ and sunroof invite guests to enjoy panoramic views and alfresco living. Inside, Achille Salvagni's interiors are defined by premium materials, full leather upholstery and abundant natural light, creating a sophisticated atmosphere throughout. Accommodation is arranged for eight guests across four en-suite cabins, including a full-beam owner's suite, complemented by dedicated crew quarters for two, ensuring privacy and seamless service.

Solstice is equipped with advanced navigation systems, stabilisers and a comprehensive suite of luxury amenities, from Bose Hi-Fi and satellite TV to a wine cellar and multiple entertainment zones. Every detail reflects a commitment to excellence, offering discerning owners and guests a yacht that blends performance, comfort and exclusivity. With her distinctive styling and versatile capabilities, *Solstice* delivers an extraordinary yachting experience across the Mediterranean and beyond.
