Ultimate Luxury Awaits: BELLO VIAGGIO

Delivered in 2015 by Azimut, *Bello Viaggio* is an 84-foot flybridge motor yacht that perfectly embodies Italian craftsmanship and contemporary design. Measuring 25.6 metres with a beam of 6.3 metres, her GRP hull and superstructure combine strength with elegance, while Stefano Righini's exterior lines and Salvagni Architetti's interiors create a seamless blend of sportiness and sophistication. Powered by twin MAN V12 engines, she achieves a cruising speed of 26 knots and a maximum of 30 knots, offering exhilarating performance with a range of 280 nautical miles.

Her interior is designed for refined living, with accommodation for eight guests across four staterooms. The full-beam owner's suite is a private retreat with large windows, a king bed and a luxurious en-suite bathroom. A VIP cabin, additional guest cabins and versatile crew quarters for up to four ensure comfort and privacy throughout. Expansive decks, a redesigned flybridge and elegant lounges provide abundant space for relaxation, complemented by premium materials, floor-to-ceiling glazing and state-of-the-art entertainment systems.

Bello Viaggio offers a wealth of amenities, from a hydraulic swim platform and beach club atmosphere to Bose surround sound, satellite TV and multiple Samsung screens. With her blend of performance, luxury and distinctive Italian styling, she delivers an aspirational lifestyle on the water, making every voyage a celebration of elegance, comfort and unforgettable experiences.
