NOTORIOUS Leopard

NOTORIOUS 27M Performance & Elegance

Delivered in 1997 by Leopard Yachts and extensively refitted in 2023, *Notorious* is a 27-metre open motor yacht that blends performance with refined elegance. Measuring 26.97 metres with a beam of 5.79 metres, her GRP hull and superstructure are complemented by Andrea Bacigalupo's sleek exterior lines, creating a profile that is both dynamic and timeless. Powered by twin MTU 16V2000 M91 engines delivering 2000 hp each, she achieves a thrilling cruising speed of 33 knots and a maximum of 37 knots, ensuring exhilarating passages across the Mediterranean.

Her interior is designed for comfort and practicality, with accommodation for six guests across three staterooms. The owner's cabin offers a spacious retreat with a large double bed, integrated cabinetry and abundant natural light, while guest cabins provide flexible arrangements with en-suite facilities. Dedicated crew quarters for up to four ensure professional service and privacy, supporting seamless operations throughout every voyage. Expansive sunbathing areas forward and aft, teak decks and inviting lounges create generous outdoor living spaces, ideal for relaxation and entertaining.

Notorious benefits from continuous investment, including new generators in 2022 and reconditioned engines in 2023, reinforcing her technical reliability. Equipped with stabilisers, advanced navigation systems and a William jet tender, she offers both performance and versatility. With her distinctive open layout, responsive handling and refined atmosphere, *Notorious* represents a compelling opportunity for owners seeking a high-performance yacht that delivers both speed and style in equal measure.

Description

Accommodation Overview:

Accommodation for 6 guests in 3 staterooms. 4 crew.

Owner

The owner's cabin provides a comfortable and functional private space onboard. It features a large double bed with practical storage and integrated cabinetry. The layout supports extended stays with balanced comfort and usability. Natural light enhances the interior ambiance while maintaining privacy within the yacht's refined and efficient overall design.

Guests

Guest accommodation consists of three cabins hosting up to six guests. The layout includes double and twin configurations, allowing flexibility for different arrangements. Each cabin maximizes available space while maintaining comfort and accessibility. En-suite bathroom facilities ensure privacy. The guest areas are well integrated, supporting a practical and enjoyable onboard experience.

Crew

The crew area includes a dedicated cabin with integrated bathroom facilities. This configuration ensures operational efficiency while maintaining separation between guest and crew spaces. The layout supports onboard service requirements without compromising guest privacy. Access and positioning allow the crew to manage navigation and hospitality duties effectively during all cruising conditions.
