UNICA: Adventure and sophistication

Delivered in 2009 by Firebird and comprehensively refitted in 2023, *Unica* is a 27.8-metre motor yacht that embodies Italian elegance and contemporary sophistication. With a beam of 5.99 metres and a GRP hull and superstructure, she combines strength with refined styling. Powered by twin Caterpillar C32 engines delivering 1,800 hp each, she achieves a cruising speed of 24 knots and a maximum of 27 knots, ensuring confident performance across Mediterranean waters.

Her interiors are defined by generous volumes and premium finishes, with a full-beam owner's suite amidships offering abundant space, mirrored televisions and a refreshed aesthetic introduced during her recent refit. Three additional cabins, including a forward VIP and two doubles, each with en-suite bathrooms, complete accommodation for eight guests. Dedicated crew quarters for two are positioned at the bow, ensuring discreet service and operational efficiency. Expansive decks, a sociable flybridge with lounge and dining areas, and a spacious cockpit create versatile settings for relaxation and entertaining.

Unica benefits from significant technical upgrades, including new Kohler generators, Seakeeper stabilisers and hydraulic systems supporting her gangway, lift platform and hatches. Teak decking renewed in 2022/23 enhances her exterior presentation, while mirrored televisions, leather furnishings and modern appliances elevate onboard living. With her blend of performance, comfort and aspirational lifestyle, *Unica* offers discerning owners a distinctive opportunity to enjoy refined cruising and memorable voyages in true Italian style.

Description

Accommodation Overview:

Accommodation for 8 guests in 4 staterooms. 2 crew.

Owner

The full-beam master cabin is located amidships, offering generous space, refined finishes, and a private en-suite bathroom. The refit introduced mirrored televisions, new leather furnishings, and a refreshed aesthetic that enhances both comfort and elegance.

Guests

Three additional cabins complete the guest accommodations: a forward VIP suite and two double cabins, each with en-suite bathrooms. The layout ensures privacy and convenience, while the main deck salon and dining area provide ample space for social gatherings. The flybridge, with its lounge and dining facilities, extends the living experience outdoors.

Crew

The crew quarters are positioned at the bow, featuring one cabin with en-suite facilities for two members. This arrangement ensures discreet service and operational efficiency, allowing the crew to manage the yacht seamlessly while maintaining guest privacy.
