Luxury Redefined: Experience Unmatched Elegance

Delivered in 2015 by Mondomarine and extensively refitted in 2024, *Serenity* is a 42.33-metre motor yacht that redefines luxury with Italian craftsmanship and contemporary elegance. With a steel hull and aluminium superstructure designed by Luca Vallebona, she combines resilience with refined styling. Her proportions and Bureau Veritas classification underscore her reliability, while twin MTU engines deliver a cruising speed of 12 knots, a maximum of 16 knots and an impressive range of 4,500 nautical miles, ensuring confidence across both coastal and transoceanic passages.

Her interiors are designed to maximise comfort and privacy, with accommodation for twelve guests across five staterooms. The full-beam owner's suite spans 45 square metres, offering a serene retreat with elegant furnishings and en-suite facilities. Two VIP cabins and two twin cabins with pullman beds complete the guest accommodation, each tastefully decorated and equipped with premium amenities. Dedicated crew quarters for up to eight ensure seamless service, while expansive lounges, floor-to-ceiling glazing and sociable dining areas create versatile spaces for relaxation and entertaining.

Serenity offers a wealth of lifestyle amenities, including expansive decks with a jacuzzi, alfresco dining areas and a beach club atmosphere. Equipped with advanced stabilisers, comprehensive navigation systems and a suite of tenders and toys, she blends technical capability with aspirational living. With her refined interiors, expansive decks and long-range performance, *Serenity* represents a compelling opportunity for discerning owners seeking a yacht that delivers both elegance and unforgettable experiences at sea.
