MAGELLANO 66 Azimut

Magellano 66 Elegant Sea Living

The Magellano 66 presents an elegant Azimut ownership proposition, combining a 20.15 m profile with GRP and carbon fibre construction, a semi-planing dual mode hull and confident MAN diesel performance. Her principal specifications include a 5.54 m beam, 1.65 m keel draft, 1.72 m draft at propellers, CE category A and a maximum capacity of 8 persons.

The flybridge offers open-air enjoyment with a forward sofa-sunpad area, teak table for eight, aft sunbathing area, wet bar with sink, 50-litre refrigerator and storage. The cockpit continues the invitation with teak decking, a six-seat C-shaped sofa, teak table, LED lighting with dimmer and easy access to the platform for relaxed boarding and sea-level leisure.

Accommodation is arranged with four cabins plus one crew cabin, eight berths plus two crew berths and three + one services. A full-beam owner's cabin, forward VIP cabin, guest twin cabin and optional fourth twin cabin create flexible comfort. Cruising at 19 knots and reaching 24 knots delivers Azimut capability, with long-range cruising at 12 knots and a stated range of up to 490 nm in long-range mode for extended passages.
