FLY 53
Azimut

AZI Flybridge Elegance

The Azimut 53 Fly embodies sleek, clean lines by Alberto Mancini and the generous volumes expected from a latest-generation flybridge yacht. Wide uninterrupted side glazing reduces the visual impact of fibreglass and enhances a slender profile, while onboard comfort is supported by an accommodation plan for six berths in 3 cabins.

Commissioned in June 2022, this yacht is presented in very good condition, optimised with approximately 350 engine hours and maintained by professional crew. Twin IPS 950 Volvo-Penta D11-725 engines, Volvo Dynamic Positioning System, IPS joysticks, automatic Volvo Interceptor Trim and variable-speed bow thruster provide refined control and confident capability. The yacht was used mainly for day trips rather than extensive cruising, leaving accommodation in excellent condition and ready for immediate delivery.

The equipment profile elevates everyday life afloat with SEAKEEPER Gyro 9, Garmin Platinum Package with Radar, complete teak decking, hydraulic platform, telescopic gangway and electric bimini. Air conditioning rated at 60,000 BTU, Miele appliances, icemaker, wine cooler, dishwasher, washer-dryer combo and Smart Audio/Video Package complete a polished flybridge lifestyle. The Advance Package and Yacht controller add further practical onboard assurance.

Description

Accommodation Overview:

Accommodation for 6 guests in 3 staterooms. 1 crew.

Owner

The Master Cabin offers a large double bed, safe and toilet with bidet faucet in the Master head. Dimmer lights for Salon and Cabins enhance comfort, while reverse-cycle air conditioning rated at 60.000 BTU supports an inviting owner experience in excellent accommodation condition. Smart Audio/Video Package and Hi-Low System for TV enhance leisure.

Guests

Guest accommodation is arranged as 6 berths in 3-cabins, with 2 cabins with large double bed and 1 cabin with twin single berths. 2 toilet compartments with shower, a VIP head with bidet faucet, cutlery, crockery and glasses complete a welcoming layout. Miele appliances, icemaker, dishwasher, winecooler, fridge, freezer and washer dryer combo support onboard hospitality with ease.

Crew

The yacht has always been maintained by professional crew, reinforcing confidence in the onboard environment. Not used for extensive Cruising, mainly Daytrips, it offers accommodation in excellent condition, with immediate enjoyment supported by a well equipped, optimized flybridge specification.
