Sanlorenzo SD92 Sea Prestige

The 2015 Sanlorenzo SD92 combines luxury and performance in a 27.60 m semi-displacement motor yacht built from fibreglass. Her 2024 refit enhances an already sophisticated profile, creating a refined yacht for owners seeking comfort, confidence and Italian pedigree on the water. Her pre-owned condition and Sanlorenzo build reinforce appeal for buyers focused on proven quality and elegant presence.

Powered by twin MTU 10V 2000 M72 diesel engines, each rated at 1224 hp, this SD92 delivers a cruising speed of 11 knots and a maximum speed of 17 knots. Zero-speed fin stabilisers, bow thruster, stern thruster and hydraulic gangway support easy handling and relaxed time aboard. Diesel inboard power and shore power inlet add practical reassurance for cruising.

Five guest cabins and six guest heads provide generous accommodation for family and friends, with thoughtful spaces designed for enjoyment throughout the yacht. Teak cockpit, teak side decks, underwater lights, flat-screen TV, Wi-Fi, tender capacity and exterior entertaining areas complete a highly desirable Sanlorenzo ownership proposition. Cockpit speakers, air conditioning, heating and a watermaker elevate comfort with strong onboard amenities.

Description

Accommodation Overview:

Accommodation for 8 guests in 5 staterooms. 4 crew.

Owner

Owner comfort is anchored by the Sanlorenzo SD92's generous 27.60 m profile, semi-displacement fiberglass construction and five-cabin accommodation plan. Six guest heads, refined living quarters and a 2024 refit create a polished private yacht environment for relaxed ownership, elegant entertaining and confident cruising under the Sanlorenzo name and refined presence.

Guests

Guest accommodation is arranged for 8 People, with five cabins and six heads supporting comfort for family and friends. Spacious and comfortable living quarters, thoughtful design and inviting onboard spaces enhance relaxation, while air conditioning, heating, entertainment equipment and exterior teak areas add easy enjoyment throughout every private stay aboard.

Crew

Crew Accommodation is for 4 People, giving this SD92 the service platform expected from a luxury motor yacht. Twin generators, shore power, water systems, hydraulic gangway, thrusters and Fin Stabilizer Zero Speed equipment support practical operations, helping preserve a calm, welcoming atmosphere for owners and guests during private cruising days.
