Silvia Space To Own

Silvia is an Azimut motor yacht created for buyers who value space, privacy, and refined onboard living above conventional cabin count. With six guests in three cabins and a layout shaped around the Owner's experience, she offers a rare sense of personal volume, lifestyle clarity, and relaxed confidence in her category.

Her full-beam master suite extends across multiple levels, pairing a king-size berth on the main deck with an en suite below and an additional private owner's area for lounging, working, dressing, and bathing. The result is a residential environment designed for comfort, separation, and day-to-day enjoyment.

Outdoor living is equally desirable, from the flybridge with jacuzzi, bar, barbecue area, and automatic bimini to the extended bathing platform and tiltable garage. Inside, a light-filled salon, integrated dining area, silvered oak parquet flooring, leather-clad cabinetry, glass tables, red accents, and yacht-wide entertainment system create a relaxed yet distinctive atmosphere. Offered by her original owner and extensively customised from new, Silvia delivers intelligent luxury with individuality, owner-focused appeal, and Azimut performance at sea for discerning buyers seeking personal space and confident cruising.

Max Speed: 29 knots

Range: 750 nm @ 22 knots

Classification: -

Description

Accommodation Overview:

Accommodation for 6 guests in 3 staterooms. 4 crew.

Owner

The Owner's suite is Silvia's defining luxury, arranged across multiple levels to create a private domain rarely found in this size. A king-size berth is positioned on the main deck, with the en suite just a few steps below and an additional lower-deck area for lounge, office, dressing, and bath use.

Guests

Accommodation is deliberately exclusive, sleeping six guests in three cabins. Two VIP guest cabins complete the layout, supporting a refined onboard experience where guest comfort benefits from the yacht's considered cabin plan and generous living spaces rather than maximum cabin density.

Crew

Separate accommodation is provided for a captain and three crew, with three crew cabins and two crew restrooms within the yacht's layout. This arrangement supports discreet service, operational practicality, and confident private cruising while preserving the Owner's and guests' sense of privacy throughout Silvia during extended time at anchor or relaxed days underway with dedicated comfortable onboard functionality.

Machinery Details
