BLACK RAPTOR – Luxury Charter Yacht

Experience BLACK RAPTOR, an advanced 18 - meter Sunreef 60 Eco catamaran built for sustainable, high - performance cruising. Utilising integrated solar technology and electric propulsion, this vessel ensures quiet, emission - free voyages across the West Mediterranean. The exterior layout prioritises outdoor living, featuring expansive lounging decks, alfresco dining areas, and an elevated sundeck with panoramic views. For water sports, the integrated hydraulic platform provides seamless access to an extensive selection of onboard gear, including wing foils and wakeboards.

Inside, the bright, architectural salon transitions naturally to the aft deck, creating an efficient and sophisticated layout for entertaining. Four well - appointed staterooms with private bathrooms accommodate up to eight guests, while a dedicated three - person crew manages all operations and guest services
