Riva Argo Prestige In Motion

The Riva 90' Argo offers a compelling blend of luxury, performance and sleek water design to the motor yacht market. With an overall length of 28.49 m, she provides generous spaces dedicated to relaxation, entertainment and confident cruising, wrapped in the unmistakable elegance associated with this model.

Powered by twin MTU 12V 2000 M96L diesel engines, the Riva 90' Argo delivers a cruising speed of 22 knots and a maximum speed of 26 knots, combining refined comfort with the excitement expected from a high-performance yacht. Her beam of 6.50 m supports a spacious profile, while her durable hull enhances elegance on the water and creates a strong platform for exhilarating journeys.

Four guest cabins, four guest heads, two crew cabins and two crew heads create a practical, private onboard arrangement for extended voyages with family and friends. Air conditioning, Seakeeper stabilisation, fin and gyroscopic stabilisers, underwater lights, Wi-Fi, satellite TV preparation, premium audio/video equipment and a hydraulic bathing platform complete a yacht designed to elevate every moment at sea with sophistication, comfort and a polished sense of occasion for owners, family and guests alike.
