Wide Space 93.9 True Exclusivity

Wide Space 93.9 blends shipyard heritage with the confidence of steel and aluminium construction. Created by Cantieri Navali di Termoli, this 28,50 m yacht draws on more than 50 years of naval experience and commercial-division techniques, delivering a yacht shaped for solidity, maximum safety, and exclusive cruising comfort across generous decks and inviting interiors with a refined sense of scale.

Tommaso Spadolini's exterior and interior design gives the yacht a distinctive wide-space character, supported by Umberto Tagliavini's engineering and hull work. An owner's cabin with bathroom, 2 double guest cabins, 2 twin guest cabins, saloon with dinner area, upper lounge, and galley create a complete onboard lifestyle for private escapes and elegant moments during every day aboard this exclusive yacht.

With 2x MAN 412 kW engines, 10 knot cruising speed, 12,5 knot maximum speed, and 3,000 miles of cruising range, Wide Space 93.9 is built for capable passages. Fuel capacity of 24.000 litres, 2.300 litres of fresh water, Zero Speed electric fins stabilizers, bowthruster, hydraulic stern platform, and RINA certification strengthen her exclusive appeal with quiet assurance on every passage.

CNT 94 CN Di Termoli

Specifications

Max Speed: 12.5 knots

Range: 3.000 nm @ 10 knots

Classification: CE, RINA

Description

Accommodation Overview:

Accommodation for 10 guests in 5 staterooms. 4 crew.

Owner

The owner enjoys a private cabin with bathroom, supported by the yacht's broad 7,21 m beam and steel-and-aluminium build. A 46" TV, WiFi connection, and access to the saloon with dinner area create a refined personal setting for comfortable cruising aboard Wide Space 93.9 with true onboard exclusivity and privacy.

Guests

Guests are accommodated in 2 double guest cabins with bathroom and 2 twin guest cabins with bathroom, each supported by onboard WiFi and 40" TV entertainment. The main saloon, dinner area, upper lounge, and outside stereo system give social spaces a generous rhythm for shared days underway and evenings aboard.

Crew

Crew arrangements include a crew cabin with bath, a captain's cabin with bath, and a crew dinette with sofa. A TV in the crew mess and galley support onboard service, while the layout separates technical spaces, storage, engine room, and guest accommodation for efficient operation across the yacht's cruising program.
