JUST MARIE III
Sanlorenzo

SX112 Italian Loft Performance

JUST MARIE III represents a refined balance between contemporary design and advanced performance, built by Sanlorenzo as part of the acclaimed SX line. Her innovative layout blends the versatility of an explorer platform with the elegance of a modern motor yacht, delivering a seamless onboard experience defined by openness, light, and connection to the sea.

Her expansive main deck is conceived as a loft-style living environment, enhanced by floor-to-ceiling glazing that floods the interior with natural light. The yacht's standout beach club, complete with fold-down terraces and a sea-level gym, creates an exceptional waterfront lifestyle, while generous exterior spaces provide multiple areas for relaxation and entertaining.

Powered by four Volvo D13B engines, JUST MARIE III achieves a maximum speed of 23 knots and cruises comfortably at 15 knots, offering both efficiency and stability. Designed for discerning owners seeking innovation without compromise, she delivers a distinctive yachting experience combining performance, comfort, and Italian craftsmanship.

Description

Accommodation Overview:

Accommodation for 8 guests in 4 staterooms. 6 crew.

Owner

The owner's cabin aboard JUST MARIE III is designed with a contemporary and understated aesthetic, reflecting the signature approach of Sanlorenzo's SX range. Positioned to maximize natural light, the space benefits from clean architectural lines and a calm, refined atmosphere. The use of premium materials and subtle finishes creates an inviting private retreat, offering both comfort and functionality for extended stays onboard.

Guests

Guest accommodation is arranged for up to eight guests across three en-suite double cabins, complemented by a versatile lounge that converts into a fourth double cabin. Each cabin maintains a consistent design language, combining modern styling with practical layouts. En-suite facilities ensure privacy and convenience, while the flexible configuration allows the yacht to adapt seamlessly to different cruising requirements and guest preferences.

Crew

Crew accommodation is arranged in three dedicated cabins for up to six crew members. The layout supports efficient onboard operations while maintaining appropriate separation from guest areas. Functional design ensures crew can deliver a high standard of service, contributing to a smooth and comfortable experience throughout every voyage.
