Refined Performance and Luxury Living

This 29.06-meter motor yacht delivers a refined balance of performance, contemporary Italian design, and intelligent space utilization. Designed by Zuccon International Project with interiors by Studio Laura Sessa Romboli, the yacht reflects a cohesive vision of elegance, comfort, and modern onboard living. Her GRP hull and superstructure ensure efficiency and durability, while her profile communicates a confident, dynamic presence.

Accommodation is arranged for up to nine guests plus two additional berths across four cabins, including a full-beam master suite on the main deck. The layout emphasizes privacy and versatility, complemented by generous social areas and a gym space adaptable into an additional guest cabin. Exterior decks provide multiple lounging and entertainment zones, enhancing onboard lifestyle and usability.

Powered by twin MTU engines delivering 2,217 hp each, the yacht achieves a top speed of 28 knots and cruises comfortably at 24 knots. Stabilizers at zero speed and underway ensure optimal comfort, while advanced onboard systems support seamless operation and extended cruising capability.

Description

Accommodation Overview:

Accommodation for 11 guests in 4 staterooms. 4 crew.

Owner
The owner's suite is positioned on the main deck, offering a privileged layout with a double bed, private bathroom, and integrated entertainment system. Large windows enhance natural light, creating a bright and welcoming atmosphere. The design reflects a refined residential style, combining comfort with functional elegance for extended stays onboard.
Guests
Guest accommodation includes two VIP cabins with double beds and one guest cabin featuring three single beds, all located on the lower deck. Each cabin is equipped with a private bathroom and TV, ensuring comfort and privacy. A gym space with treadmill and lounge features can be converted into an additional guest cabin with twin beds, increasing flexibility.
Crew
Crew accommodation is arranged on the lower deck with two cabins, each configured with single berths and supported by two bathrooms. A dedicated crew mess with dinette, TV, and small fridge ensures functionality and comfort, supporting efficient onboard service operations.
