ATLANTIS 45
Azimut

Italian Performance, Contemporary Luxury and Effortless Mediterranean Elegance

Combining the unmistakable style of Azimut with exhilarating performance, ATLANTIS 45 offers a sophisticated yachting experience designed for owners seeking elegance, comfort and dynamic cruising. Her sleek profile, metallic detailing and beautifully appointed exterior spaces create an atmosphere of refined luxury, equally suited to relaxed coastal cruising and entertaining family and friends.

Powered by twin Volvo IPS 600 engines delivering a total of 870 horsepower, she cruises comfortably at 30 knots and reaches an impressive top speed of 35 knots. Joystick manoeuvring, advanced Garmin navigation systems and a comprehensive specification ensure confidence underway, while the hydraulic platform and tender garage enhance practicality and enjoyment on the water.

Exceptionally maintained and continually upgraded, ATLANTIS 45 benefits from numerous owner-installed enhancements and recent improvements. A beautifully appointed lower deck accommodates guests in comfort, while generous outdoor living areas, premium finishes and a highly versatile layout make this yacht an exceptional opportunity within her class.

Description

Accommodation Overview:

Accommodation for 6 guests in 3 staterooms. crew.

Owner
The full-beam owner's cabin presents an inviting private retreat finished with refined materials and contemporary styling. Generous natural light, elegant cabinetry and thoughtfully designed storage create a luxurious atmosphere, while the en-suite bathroom offers privacy and comfort. The space has been carefully arranged to deliver an exceptional onboard experience, ideal for extended cruising in complete relaxation.
Guests
Guest accommodation is arranged in two well-appointed cabins designed to provide comfort, privacy and versatility. Quality finishes, efficient storage solutions and carefully selected furnishings create a welcoming ambience for family and friends. Supported by a shared bathroom, the accommodation layout maximises space and functionality, ensuring guests enjoy a relaxing and comfortable stay both at anchor and underway.
Crew
The yacht is primarily operated as an owner-driven vessel and no dedicated crew accommodation information has been provided. Systems, onboard equipment and easy manoeuvrability, enhanced by Volvo IPS propulsion and joystick control, enable efficient handling. The practical layout allows temporary accommodation solutions when required, supporting flexible operation for private cruising and extended family voyages.
